IV. Reports

REPORTS TO REVIEW	<ol style="list-style-type: none"> 1) Fall Festival – this was a huge success and the trophies for costumes were adorable 2) Family Math Night – This was very successful as well. We had over 80 students from the school and at least 100 when including siblings. We had many more students than last year 3) A.D.E. letter grade. We are a B school this year. We missed being an A by four points. Our growth has increased. Our proficiency needs to catch up.
